

HONORING THE LIFE, COURAGE, AND SACRIFICE OF STEWARD MATE 2ND CLASS JESUS FRANCISCO GARCIA

HON. MICHAEL F.Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2021

Mr. SAN NICOLAS. Madam Speaker, I rise today to honor the life, courage, and immeasurable sacrifice of Navy Steward Mate 2nd Class Jesus Francisco Garcia. STM2 Garcia is a fallen sailor whose contributions are an integral part of our community history, and the People of Guam will forever be indebted to him for his unwavering commitment to our island and nation.

Hailing from the village of Hagåtña, STM2 Garcia is a Son of Guam who defended our country during World War II and was among a small number of CHamoru men who volunteered for US military service despite a lack of American citizenship. With a desire to put others before self and swift action to answer the call of a nation in need, STM2 Garcia brought new meaning to the Navy attributes of initiative, accountability, integrity, and toughness. Further, his resolve to bolster American defense illustrates the historic loyalty and patriotism forged by CHamorus of his time and upheld by generations more throughout the years.

STM2 Garcia was assigned to battleship USS *Oklahoma* on December 7, 1941, and stationed at Ford Island on the fateful morning of the Pearl Harbor attacks. After sustaining multiple torpedo hits from Japanese aircraft, his ship quickly capsized and STM2 Garcia joined 428 other crewmembers in their final moments as the vessel quickly sunk. Following a three-years long remains recovery mission, internments in both the Halawa and Nu'uanu Cemeteries and National Memorial Cemetery of the Pacific in Hawaii, and extended identification efforts in 1947 and 2015, STM2 Garcia was finally accounted for on September 25, 2018.

Madam Speaker, after eight long decades of service and sacrifice without full recognition and honor, I join the Garcia family and the People of Guam in proudly commemorating the life and legacy of Steward Mate 2nd Class Jesus Francisco Garcia. He embodied true service and a greatness of character that is fundamental to our tradition of military excellence and continues to inspire the soldiers of this day. His name and story will forever be etched in our hearts and remembered by a grateful nation.

RECOGNIZING SAM PREVITI ON
BEING NAMED THE "MAN OF
THE YEAR" BY THE MICHIGAN
COLUMBUS DAY CELEBRATION
COMMITTEE

HON. LISA C. McCLAIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2021

Mrs. McCLAIN. Madam Speaker, I am proud to represent a district that has a large number of Italian Americans, and it is a great honor for me to recognize one of their finest, Sam Previti, on being named the "Man of the Year" by the Michigan Columbus Day Celebration Committee.

Sam has been a pillar of both the Washington Township and Italian American community. In Washington Township, Sam currently serves as the Township Supervisor. Some of his other public service commitments include being a Washington Township Trustee and serving as secretary of Washington Township's Zoning Board of Appeals.

Sam also has great pride in his Italian heritage and works diligently on behalf of this community. He helps run the largest Italian American Club, Lodge Figli Della Sicilia, and is actively involved in many charity-based organizations such as the History Holy Family in Detroit. He has also served as the National President of the Columbian Federation of Italian American Societies. Regional leaders in the Italian American community know Sam is the person to call on when they need assistance in organizing, promoting, and supporting their many events.

Madam Speaker, I can think of no one more deserving of this honor than Sam Previti. It is my hope that he finds pride upon reflection of his tireless commitment to both his communities. Sam's hard work is noticed and appreciated. I wish him many more years of dedicated and selfless service.

CAROLE KINLOW, ANGELS IN
ADOPTION HONOREE

HON. DON BACON

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 5, 2021

Mr. BACON. Madam Speaker, I would like to congratulate Carole Kinlow for the record on her nomination by the Congressional Coalition on Adoption Institute, for the Angels In Adoption Award. This award and recognition is something very personal to me as my wife Angie and I are foster-to-adopt parents to two of our four children.

For over 24 years, Carole has served the Omaha community as a mentor and role model for young women in varying roles at many organizations. She served as an advocate at Emergency Pregnancy Services, instructor for the Kids Ability program and Girls Inc., Legal Advocate for victims of Domestic Violence at Youth Women's Christian Association, and as a property manager and regional supervisor assisting low-income families.

These experiences led Carole and her husband David to become foster parents as well as family advocates for youth experiencing homelessness. It also led them to start the non-profit, Carole's House of Hope, a transitional living program to protect and foster the growth and success of women and their children. The goal of the non-profit is to meet the needs of these individuals' facing homelessness, with a particular emphasis to assist young women who found themselves homeless after becoming emancipated from the foster care system.

Carole, whose motto is "Hope is believing, encouraging, dreaming, caring . . . hope is us," credits her personal and professional success to her husband David, who is the Director of Properties for Carole's House of Hope. She says he has stood by her side and served 22 years helping at-risk individuals including as a Youth Care Worker at Uta Halee/Cooper Village.

Congratulations to Carole and her husband David, for this nomination honor. I am thankful for her service to so many in a segment of our community that is close to my heart.

IN THE HOUSE OF REPRESENTATIVES

Mr. SOTO. Madam Speaker, in honor of Hispanic Heritage Month, I honor Ricky Rodriguez. On his 25th birthday, Ricky learned the story of his birth and was inspired to pursue a career in nursing. From how his mother tells it, Ricky almost didn't make it, but thankfully the doctors, emergency room personnel, and nurses present cleared his airway and successfully intervened, saving his life. This story has left a profound impact, leading Ricky to attain his nursing degree and work to help Floridians receive the best possible healthcare.

Just like the personnel who once intervened for him, Ricky works as an emergency department nurse. He also inspired his younger brother to pursue nursing and the brothers
